SUMMER SPECIAL

WONDERS OF WALPOLE

Enjoy the WOW wilderness cruise through the Walpole Nornalup inlets marine Park. A 2.5 hour guided boat cruise into the heart of the Walpole Nornalup National Park. Those who are keen may join one of the eco-guides to walk across the wilderness track to a secluded beach on the Southern ocean. Morning tea is provided overlooking the beautiful Bellanger Beach.

Lunch will be at the Nornabar (at your expense). This historic location provides indoor and outdoor dining with modern bar and bistro food.

The tour will finish with a visit to the Toffee Factory and Elephant Rocks Cider Company and sample their cider and toffees. Their cider is also a perfect complement for their 'bit on the side' sauces. Whilst here sample the biggest ice cream cone in Denmark (included in the tour price)
